Forecast For East of England
Issued by Met Office Exeter
at 1600 on Thursday 25 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Wet and windy Friday. Becoming colder.

This Evening and Tonight:
Any showers dying away to leave a largely dry, clear and cold night. However, towards dawn it will become increasingly cloudy and windy as outbreaks of rain spread in from the northwest. Minimum temperature -1 deg C (30 deg F).

Friday:
A mostly cloudy day with outbreaks of rain, heavy at times, although some brighter spells are possible in the afternoon. Strong winds will ease later in the day. Maximum temperature 7 deg C (45 deg F).

Outlook for Saturday to Monday:
Very windy and cold Saturday with rain clearing to showers, perhaps wintry away from the coast. Winds easing Sunday as showers become confined to the east. Monday fine, but cold.
